## **TULLOW, GRANGE AND ARDATTIN PARISH NEWSLETTER**

28th June, 2020

Thirteenth Sunday in Ordinary Time.

### **"Nothing can separate us from the love of God"**

The restrictions we have experienced recently have separated us from one another, however St. Paul says -"nothing can separate us from the love of God". While as a faith community we are invited back to the table of the Lord, our places of Worship will not be fully open for some time and it is important that we share the available space in our Church.

Less than one third of those who regularly attend mass each weekend will be able to do so at reopening, because of the reduction in numbers permitted in our Churches for masses on Saturday and Sunday.

However should some in our community attend week-day mass as their "Sunday Mass", the majority of those wishing to go to mass can do so. To assist people who work during the day, our Friday mass will now be at 7.30 in the evening instead of the usual morning time. We hope a significant number of people can use the week day option.

We would very much welcome the co-operation of all our community, in relation to stewarding at masses, so that the Parish can adhere to the guidelines.

Today our priest wears Green vestments – the colour of hope. While we pray today in thanksgiving for the work of so many people who have helped us through the dark times we also look forward in hope to a full return to worship – in the words of Saint Luke. "Come, for everything is now ready." Luke 14:18

**PLEASE PRAY FOR** Fr. Ned Whelan, former Parish Priest of Ballon/Rathoe who died during the week.
