18th October, 2020. Mission Sunday.

Mission Sunday

Pope Francis says

"The celebration of World Mission Day is an occasion for reflection, and the material help of your offerings (gives us) the opportunity to help actively in the mission of Jesus in his Church... supporting the missionary work carried out in my name by the Pontifical Mission Societies, in order to meet the spiritual and material needs of peoples and Churches throughout the world, for the salvation of all."

Mother Teresa

At the end of our lives, we will not be judged by how many diplomas we have received, how much money we have made or how many great things we have done. We will be judged by "I was hungry and you gave me food to eat. I was naked and you clothed me. I was homeless and you took me in."
