Corpus Christi - The Eucharist is God

Second reading

"This is my body, which is for you; do this as a memorial of me."

"This cup is the new covenant in my blood. Whenever you drink it, do this as a memorial of me."

Why Corpus Christi?

Today's feast was introduced by the Church, to focus clearly on the Holy Eucharist, emphasising the mystery, and indeed the joy of the Eucharist as the Body and Blood, Soul and Divinity of Jesus Christ.

The Eucharist-Diocesan Survey.

When Covid restrictions ended, the diocese conducted an online survey which aimed to understand what the faithful had missed most, during the absence of in person masses.

As we were all confined to our homes, the area we missed most was "Community" (38% of people). Surprisingly half of those surveyed missed having The Blessed Eucharist in their lives during the restrictions- "The Eucharist" (missed by 30% of people) and "Eucharist and Community" (missed by 16% of people).

Catholics in our diocese treasure the privilege they have, of being able to partake regularly in the Eucharist without difficulty. They know it is special.

Pope Francis says;

"The Eucharist is the culmination of Jesus' entire life...As with the miracle of the multiplication of the loaves, Jesus took the bread in his hands, raised a prayer of blessing to the Father, broke the bread and gave it to his disciples; and he did the same with the cup of wine. In that moment, on the eve of his Passion, with that gesture, he wished to leave the Testament of his new and eternal Covenant, a perpetual memorial of the Paschal Mystery of his death and resurrection.

Let us Pray today

Our great gratitude for the wonderful privilege and gift which is the Eucharist in our lives. Let us treasure it and never take it for granted.

Deacon
