"Put out into the Deep Water" - Bishop Denis Nulty (Edited version - Full pink copy in Churches) .

A few months ago, I announced the reconstituted seven Pastoral Areas. I am now offering 19 more localized parish clusters, some of them crossing different Pastoral Areas. The clusters are offered as an ad experimentum arrangement. I am asking that discussions be held at parish level in the parish cluster and then in the Pastoral Area to make sure that the clustered parishes are correctly assigned with responses to me by October 15th

The Importance of the Sunday Eucharist: The proposed 19 parish clusters must reflect together on a sustainable local Mass schedule. Simple changes everywhere can allow for more time between Masses, and better participation of all who gather. It is my intention that on November 27th a sustainable local Mass schedule within each cluster will be agreed upon to become operable on February 26th, 2023. These schedules may have to be amended by the parish cluster as time goes on.

Priests Unavailable : An agreed approach to what happens in a local church when a priest is unavailable for Sunday Mass will also need to be arrived at in time. I have asked the Diocesan Commission for Liturgical Formation to organize training in the autumn of lay people to prepare and lead liturgy in parishes.

A Greater Sharing and Co-Responsibility: I am asking that deep reflection happens as to how these parish clusters or the wider Pastoral Area might share secretarial services , employment of administrative support, chaplaincy outreach to schools (Primary and Secondary), hospitals, nursing homes, prisons

Proposed timetable : Reflect on this Pastoral with a response to me by October 15th . Sustainable schedule of local Masses and greater sharing of services and resources November 27th. New schedule of Masses becomes operable throughout the diocese on February 26th 2023

N.B. It is proposed that Tullow - Ballon/Rathoe parishes would be clustered.
