Trinity Sunday

I arise today
Through a mighty strength, in invocaton of the Trinity,
Through belief in the Threeness,
Through confession of the Oneness,
Of the Creator of creation.

I arise today
Through the strength of Christ's birth with His baptism,
Through the strength of His crucifixion with His burial,
Through the strength of His resurrection with His ascension,
Through the strength of His descent for the judgment of
doom.

I arise today,
Through the strength of heaven,
The light of the sun,
The radiance of the moon,
The splendour of fire,
The speed of lightning,
The swiftness of wind,
The depth of the sea,
The stability of the earth,
The firmness of rock.
