The better part?

Time spent with people we love
is time treasured in our memory.

In the time together love grows,
friendships deepen
and people come to mean more to each other.

Time spent with each other in marriage
is the place where we feel
we are worthwhile, valued, loved.
Time spent with children is the place
from which love's energies
extend and reach out to children.

There are times when we must work
for and with each other,
when we must be busy,
and there are time for just being together.

Time spent with God
is like the time of Mary at the feet of Jesus;
in the spaces of prayer
love deepens in the heart,
the warmth of God takes hold of the heart,
and we are once again made whole.

This is the time -
time spent with Jesus -
when we can relax into the mystery
of being loved,
of being forgiven,
of being called,
and of being totally held
now and forever,
in love.
