A woman who was true to herself.

Be true to yourself and your feelings,
Follow your heart and be guided by your mind;
Love sincerely and with respect;
express faithfully your love.
Listen and remember,
You're not alone.

Keep sight of your roots,
the love of your parents,
your home, your friends.
These roots are only the beginnings.
You create the branches,
care for the fruit
and delight in the harvest.

Live really and honestly,
dream of peace and beauty,
Love gently and with care.
Have faith in God.

Be true to yourself.
